NOTIFICATION

G. O. (P) No. 298/74/AD. *Dated, Trivandrum, 4th November* 1974.

S. R. O. No 900/74.—In exercise of the powers conferred by sub-section (1) of section 2 of the Kerala Public Service Act, 1968, (19 of 1968) read with section 3 thereof, the Government of Kerala hereby make the following amendments to the special rules in respect of the Kerala Animal Husbandry Service issued in G. O. (P) 430 Public (Rules) Department dated the 5th November 1966 and published in Part I of the Kerala Gazette No. 46 dated the 22nd November, 1966 as subsequently amended, namely:—

AMENDMENT

In the said rules,—

(1) in the table under rule 4, (b) under the heading "Branch I (Executive)", the words "and completion of the preservice training" occurring in column (2) against class IV "Veterinary Surgeons" and the "Notes" thereunder shall be omitted.

(2) after rule 7, the following shall be added as rule 7A, namely:—

"7 A. *Training*—Candidates on appointment as Veterinary Surgeons shall undergo within the period of probation, the training course conducted by the Animal Husbandry Department and the period of such training shall be treated as duty for the purpose of probation".

Note:—Persons in the Animal Husbandry Subordinate Service who have worked as Livestock Assistants for a period of not less than five years and personnel released from the Army who are appointed in the reserved vacancies will be exempted from this rule.

By order of the Governor,

S. NAGARAJAN,

Additional Secretary.

[P. T. O.]

Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport).

According to G. O (P) No. 198/70/Agri. dated, Trivandrum 11th May 1970 only Veterinary Graduates who had successfully completed pre-service training conducted by the Animal Husbandry Department are eligible for appointment to the post of Veterinary Surgeon.

This training is conducted by the Veterinary College which is now under the University. The training course is conducted at intervals and the number of persons who can be trained at a time is limited. Therefore the appointment of trained personnel becomes probelmatical.

This causes delay in appointment and the posts remaining unmanned. To fill the interregnum untrained hands are selected through the employment exchanges and appointed on a provisional basis.

It is not desirable to keep out P.S.C. nominees on the ground that they have not completed pre-service training and appoint untrained hands in their place on a provisional basis. It is therefore better that the P.S.C. nominees are given the training after they have joined the service rather than before.

The adoption of this procedure will also eliminate the long delay between selection and appointment.

For these reasons it is proposed to amend the qualifications prescribed for appointment to the post of Veterinary Surgeon.
